## BRIGHT.

We've had a frustrating couple of weeks; firstly with the result against Gillingham and then with last Sunday's postponement against Chichester – the second time that fixture has been postponed this season.

We went into the Gillingham game off the back of an improved performance away at Ipswich and a good week of training, which had given us a renewed focus and togetherness. We started well and controlled large portions of the game, retaining and building possession much better than we had for a number of games. Frustratingly though, we were unable to convert our final third entries and chances into goals, whereas Gillingham were clinical and capitalised on two moments to take the win. However, we have been working hard on our final third play and there have been some exciting moments in training, that we hope to be able to transfer onto the pitch over the coming weeks.

We also have a couple of key players coming back into the fold, who will add experience and quality, and will be welcome additions in terms of what they bring both on and off the pitch to the team – watch this space!

Our next block of games throws up three cup fixtures; in the League Cup, FA Cup and County Cup, with two of the teams being brand new opponents to us. Cup fixtures always present a different challenge and bring a little magic to games. We've had two positive weeks of training and are looking forward to testing ourselves in all three fixtures.

Lastly, but most importantly, I'd like to thank everyone who has come and supported us so far this season. We really appreciate the support and commitment of our fans and can't thank you enough for giving up your time to come along and cheer us on each week! We absolutely love hearing you during games!

## CLUB LATEST

### The Opposition – Cambridge City

Today we welcome Cambridge City Ladies to Stadium MK. The Cambridgeshire team sit 7th in the National League Division 1 South East with three wins coming from their opening 10 games. Last weekend saw them lose a thriller 4-3 away to Enfield Town. Shannon Shaw and Grace Stanley lead the way with an impressive 18 goals between them this season.

### Up Next

The Dons return start their FA Cup next weekend at home to high flyers Ipswich Town Women. Please note this game is a 1pm kick off and will be played at Newport Pagnell Football Club.

### Last Time Out

With last weekends fixture away to Chichester & Selsey postponed for a water logged pitch, the defeat at home to Gillingham was the last time the Dons played. With recent success in this cup competition, the Dons hope to reach the second round of the cup for the successive time.

### Development Team

There hasn't been a development team game in recent weeks. Jon Dewick's team are back in league action this Sunday as they host Hashtag United.
