

THE FA WOMEN'S NATIONAL LEAGUE

Marshall

OUR NAME BELONGS TO THOSE WHO PLAY

MARSHALL.COM

It was so pleasing to be back in league action last Sunday after 74 days without a league fixture & what a game it was to return to.

Having played 3 or 4 games fewer than most in the league, we come into last weekend's game with a bit of pressure, particularly as it means we have a false league position. However, what a performance the team put in. The First half was certainly the best half of football we have played so far this season, showing real intensity & ruthlessness throughout. We gave a good Billericay Town side no time to get into the game. After the game was already won, we dropped off the last 10, we must now continue our focus going into another tough test against Gillingham.

In our previous 3 fixtures against Gillingham, we've had a 1-0 win, a 0-0 draw & a 2-1 loss. So, today we are expecting another tight game, where we will have to be at our best to win.

Last weekend I took charge of my 100th game with the football club, something I am incredibly proud of. This past week I have spent a lot of time reflecting on the journey of the past 5 years. I can't wait to continue this incredible journey for many more years & keep moving this club in the right direction.

The home support was superb once again last weekend & we are going to need more of that this weekend to push us on to get those 3 points.

Best wishes,

Charlie

GILLINGHAM W.F.C.

Today we host Kent based side, Gillingham WFC, for the second time this season. We previously met during the first round of the FAWNL Cup, where Mollie Coupar's decisive header was the difference between the two sides. Gillingham WFC have since seen a management change, with Dan Logue (previously of Crawley Wasps) taking over the reins from Josh Oatham.

Gillingham's started the season well, beating Ipswich Town 2-1, drawing against Portsmouth 1-1 followed with wins against London Bees and Bridgwater, before experiencing a dip in form which leaves Gillingham sat in 11th place in the league.

MK DONS WOMEN U19S

The Under 19's returned to action on Wednesday, travelling away to East Norfolk Sixth Form & College. This was the fourth meeting between the two-sides, with the Dons being victorious in the previous three, both in the league and cup. The Dons scored in the first half through a clinical finish taken by Katie Hunter, leaving them a 1-0 lead at the break. Following the interval, the Dons' continued their goal-scoring form with an excellent 40-yard freekick converted by Milly Hayes to end the game 2-0.

MK DONS WOMEN U23S

The Under 23's return to action today, as they travel to face 7th placed London Seaward Reserves in the FAWNL Reserve South East & Central Division. The Dons' are looking for their 10th win of the season, following last weeks break, to continue competing for the title.

LAST TIME OUT

The Dons retuned to league action after 77 days, with a 6-3 win over Billericay Town. Last weekend's fixture marked a century of games for Charlie Bill, and started in the most perfect way, scoring early through Tricia Gould, followed by two more goals, scored by Mollie Coupar and Laura Mitchell to enter the break 3-0 up.

Following the interval, Billericay Town forward, Holly Turner was show a red card following a verbal altercation with the officials. Both Laura Mitchell & Mollie Coupar scored again earning a brace, and the supporters were accustomed to another Gemma Biggadike screamer. The game however, flipped in momentum, and a crazy 10 minutes saw the Blues' grab 3 late goals before the full-time whistle was blown.

UP NEXT

Up next, we travel away to face Watford FC Women for the second time this season, however it's the first meeting in the FA Women's National League Premier Division.
