# HOW TO DOWNLOAD THE RED DOT MK DONS - OFFICIAL MATCHDAY APP

1. Download **Red Dot MK Dons** the official matchday programme App available now from your App store.

2. The first time you use the App you will need to create an account, to do this click on create account then follow the instructions.

3. Allow notifications, by doing so you will be prompted to check out new content. The MK Dons matchday programme will be available to view the night prior to every home match.

It's that simple, but if you get stuck please call the Box Office on 01908 622933
