Stadium MK opened in 2007 and has a capacity of 30,500 seats in a connected bowl. It is located in the Denbigh North site between Grafton Street, Saxon Street and the A5. Stadium MK is the only stadium in the EFL with four stadium screens, in all four corners of the ground, meaning you can see a screen from every single seat. Stadium MK also has large padded seats which offer an unobstructed view of the pitch, regardless of where you sit.

A NOTE FROM THE MKDSA.

If you’re travelling by car, as previously mentioned, pre-booking is advised. We don’t advise that you park in the leisure or retail car parks, as restrictions are in place on matchdays and fans have been fined in the past. There is space to park on the Granby Industrial Estate, just off the main traffic lights, but again we advise cautious parking on grass verges or on company premises without permission. One of the car parks we recommend is located on Peverel Drive, Granby Trading Estate MK1 1NW. This car park costs £5 and 100% of the profits are donated to local charity ‘Harry’s Rainbow’ that supports bereaved children and their families. It’s a short 5-10-minute walk away from the stadium.

If you are travelling by train to Milton Keynes Central Station, and want to enjoy a few drinks before making your way to the ground, many away fans head to Wetherspoons on Midsummer Boulevard. When leaving the station, head straight under the underpass ahead and the pub is located on the road five minutes further up. Be aware that it’s a four-mile taxi ride to the stadium from Wetherspoons.

If you’re arriving at Bletchley Station, it’s still quite a trek to the stadium, taking about 30 minutes to walk but you can stop off on the way and visit several pubs on route. Turn left out of the station, then left along the main road, under the railway bridge and you will find the Park Inn and the Working Men’s Club, both allow away supporters, as do some of the other pubs in Bletchley depending on expected attendances.

There are a number of bars located in Central Milton Keynes but not all welcome football colours, so we advise heading to the MK1 complex where there are several restaurants that allow away fans. They sometimes insist that fans only use the areas outside so as not to disturb any diners.

There are a number of fast food outlets around the stadium including KFC and McDonalds as well as Ikea’s restaurant serving their famous meatballs, but no trip to Stadium MK would be complete without visiting the Caz Bar burger wagon situated near Gate 7. The range and quality of food is some of the best in the EFL and Caz welcomes home and away fans.

The bars inside the stadium serve a variety of draft beers and ciders as well as a selection of bottles.

We hope you enjoy your visit to Stadium MK.
