

A NEW FAITH.

The 2019-20 Season for the MK Dons Women team was an exciting one.

Whilst the Covid-19 restrictions meant an unexpected and early finish to our season, we were able to look back on the fantastic support we received from so many of you for our home games at Stadium MK.

We enjoyed not only the best attendance for any game in the division but also the highest average crowd for league games. Such a great show of support is something we are keen to build on for next season as we'll look to further improve our position in the FA Women's National League Southern Premier Division.

Over the last two years we have been fortunate to have the opportunity to play at the impressive Stadium MK. This has created a real buzz for the players and all those involved with women's football, establishing a special connection with our supporters and helping to promote the women's game more widely, especially as we look forward to hosting the forthcoming UEFA Women's Championship.

We therefore very much hope you will consider taking up the opportunity of our great Membership offer for 2020-21 and join us for some more exciting football at Stadium MK, whilst helping us once again to be the best supported club in the National League Southern Premiership Division.

Thank you for all your support this season and we look forward to seeing you back at Stadium MK very soon!
